LIMITED**

CONDENSED INTERIM FINANCIAL STATEMENTS

FOR THE HALF YEAR ENDED JUNE 30, 2024

A.F.FERGUSON&CO.

The Board of Directors
Pakistan Mortgage Refinance Company Limited
Finance and Trade Centre, 4th Floor
Block-A, Shahrah-e-Faisal
Karachi

August 17, 2024

ASR 0760

Dear Board Members

DRAFT FINANCIAL STATEMENTS OF PAKISTAN MORTGAGE REFINANCE COMPANY LIMITED FOR THE HALF YEAR ENDED JUNE 30, 2024

We have pleasure in enclosing five copies of the draft condensed interim financial statements of Pakistan Mortgage Refinance Company Limited (the Company) for the half year ended June 30, 2024, with our draft review report thereon initialled by us for identification purposes. We shall be pleased to sign our report in its present or amended form after:

- (a) these draft condensed interim financial statements have been approved by the Board of Directors (the Board) and signed by the Chief Executive Officer, Chief Financial Officer and three directors authorised by the Board in this behalf;
- (b) we have seen the specific approval of the Board of Directors for the items listed in Annexure 'A' to this letter;
- (c) we have received details of 'other information' as required by paragraph 36 of International Standard on Review Engagements 2410, 'Review of interim financial information performed by the independent auditor of the entity'; and
- (d) we have received an appropriately signed letter of representation along the lines of the draft enclosed to this letter.

We take this opportunity to draw your attention to certain accounting and related matters which are set forth in the following paragraphs:

2. RESPONSIBILITIES OF THE MANAGEMENT AND AUDITORS IN RELATION TO THE FINANCIAL STATEMENTS

We conducted our review in accordance with the International Standard on Review Engagements 2410, 'Review of interim financial information performed by the independent auditor of the entity'. A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

The management is responsible for the preparation and presentation of the condensed interim financial statements in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on the condensed interim financial statements based on our review.

We would like to inform the Board that unless we have signed the review report on the enclosed condensed interim financial statements, the same shall remain and be deemed not to be reviewed.

Tel: +92 (21) 32426682-6/32426711-5; Fax: +92 (21) 32415007/32427938/32424740; <www.pwc.com/pk>

Letter ASR 0760
dated August 17, 2024

3. IMPLEMENTATION OF IFRS 9, 'FINANCIAL INSTRUMENTS'

The State Bank of Pakistan (the SBP) via BPRD Circular no. 4 dated October 23, 2019 had previously prescribed January 1, 2021 as the effective date for implementation of IFRS 9 and then deferred the implementations of IFRS 9 "Financial Instruments" to accounting period beginning on or after January 01, 2023. However, keeping in view the industry representations, the SBP through its BPRD circular letter no. 7 dated April 13, 2023, had revised the effective date of implementation of IFRS 9 to January 01, 2024 for Banks and DFIs.

The Company has adopted modified retrospective approach for implementation of IFRS 9. As per the requirements of IFRS 9, "entity adopting IFRS 9 does not need to restate prior periods and shall recognise any difference between the previous carrying amounts and the carrying amounts determined as per IFRS 9 at the beginning of the annual reporting period that includes the date of initial application in the opening unappropriated profit (or other component of equity, as appropriate) of the annual reporting period that includes the date of initial application". Accordingly, the Company has recognised the difference amounting to Rs. 16.641 million in the opening unappropriated profit as at January 1, 2024. The detailed disclosures relating to the impacts of adoption of IFRS 9 have been given in note 3.2 to the condensed interim financial statements.

In this connection, we would like to highlight that upon implementation of IFRS 9, there were certain accounting matters which were taken up by the Pakistan Banks Association (PBA) with the SBP which require clarification / guidance from the SBP. Further, the Banks/DFIs also sought relaxation / extension in timeline for implementation of certain matters arising out of implementation of IFRS 9. The key matters which have been taken up with the SBP by the banking industry included recognition of income on loans and advances, investments etc. using Effective Interest Rate (EIR) method, valuation of unquoted equity securities, maintenance of general provision over and above the provision of IFRS 9, fair valuation of subsidised financings (including staff loans), accounting for modification of loans due to restructuring / rescheduling and income recognition on Islamic financings.

The State Bank of Pakistan (the SBP) has recently issued BPRD Circular Letter No. 16 dated July 29, 2024 and has made certain amendments and extended the timelines of SBP's IFRS 9 application instructions to address most of the matters raised by the Banks/DFIs with a direction to ensure compliance by the extended timelines.

We understand that on remaining matters, the treatments are still under deliberation with the SBP. The Company has continued to follow the treatment adopted in respect of these matters in the prior periods till the time the SBP issues the relevant guidance / clarification.

4. RECEIVABLE FROM CREDIT GUARANTEE TRUST

The Company acts as a Trustee to the Credit Guarantee Trust (the Trust) under the Trust Deed executed between the Government of Pakistan (GoP) and the Company dated May 29, 2020. Initially, the Company claimed expenses incurred for staff cost, rent, communication and utilities on actual basis from the Trust against the rendering of services to the Trust.

However, during the previous year, the GoP has issued an addendum to the first supplemental Trust Deed dated September 4, 2023 which states that:

"The trustee will charge a fee at the rate of 0.25 (1/4th) times the Premium received from the Guarantees issued under the Low Income Scheme, which shall be adjusted from the Trust account. The Trustee fee shall include staff cost, rent, communication and utilities cost incurred in the operations and management of the Trust. The aggregate trustee fee charged by the Trustee is an amount that shall be amortized over the period of all the Guarantees issued under the Low-Income scheme."

AM

A·F·FERGUSON&CO.

Letter ASR 0760
dated August 17, 2024

Further, the aforementioned addendum was effective from the date of its approval by the Federal Cabinet i.e. December 8, 2022. Consequently, the Company has recognised a receivable from Credit Guarantee Trust amounting to Rs. 123.267 million as at June 30, 2024 and a Trustee fee of Rs. 13.872 million has been recognised in the statement of profit and loss account for the half year ended June 30, 2024.

5. PROVISION AGAINST ADVANCES

The Company's exposure against advances mainly pertains to Financial Institutions which includes Banks, DFIs, Micro Finance Banks (MFBs) and Micro Finance Institutions (MFIs) whose financial health by and large is dependent upon the smooth and timely recovery of loans from their customers. As a matter of abundant caution, the Company held a general provision of Rs 347.895 million as at December 31, 2023. This provision had essentially been maintained against the portfolio of MFBs / MFIs considering the fact that MFBs / MFIs have a significant exposure in low to medium income customer groups which may pose a risk of recoveries to the Company from such institutions keeping in view the current economic condition of the country and downgrade in the credit rating of a few MFBs / MFIs. This general provision has been retained by the Company, even after the implementation of IFRS 9 and guidance in this respect has been sought from SBP as explained in paragraph 3 of our letter.

During the period, the management has carried out a review of their credit portfolio considering the current economic situation. As a result of this review, the management has classified their exposure towards Khushhali Microfinance Bank Limited (KMBL) as substandard based on subjective evaluation. The exposure has been classified under Stage 3 for the determination of ECL provision under IFRS 9 and as clarified under BPRD Circular No. 03 of 2022 dated July 05, 2022, ECL of Stage 3 has been calculated based on higher of either the Prudential Regulations or IFRS 9. Accordingly, a provision of Rs. 656.706 million has been recognised during the period against this exposure.

6. CONTINGENCIES, COMMITMENTS AND RELATED PARTY TRANSACTIONS

We have been informed by the management that there are no contingencies and / or commitments as on the date of the condensed interim financial statements and there are no transactions with related parties other than those disclosed in the enclosed condensed interim financial statements of the Company for the half year ended June 30, 2024.

We wish to place on record our appreciation of the cooperation and courtesy extended to us during the course of our review.

Yours truly

A Ferguson & Co

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Pakistan Mortgage Refinance Company Limited

Report on review of Interim Financial Statements

Introduction

We have reviewed the accompanying condensed interim statement of financial position of **Pakistan Mortgage Refinance Company Limited** (the Company) as at June 30, 2024 and the related condensed interim statement of profit and loss account, condensed interim statement of comprehensive income, condensed interim statement of changes in equity, and condensed interim cash flow statement, and notes to the condensed interim financial statements for the half year then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of these interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these interim financial statements based on our review. The figures for the quarters ended June 30, 2024 and June 30, 2023 in the condensed interim statement of profit and loss account and condensed interim statement of comprehensive income have not been reviewed and we do not express a conclusion on them.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

The engagement partner on the review resulting in this independent auditor's review report is **Shahbaz Akbar**.

PAKISTAN MORTGAGE REFINANCE COMPANY LIMITED
NOTES TO AND FORMING PART OF THE CONDENSED INTERIM FINANCIAL STATEMENTS (UN-AUDITED)
FOR THE HALF YEAR ENDED JUNE 30, 2024

1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1 Pakistan Mortgage Refinance Company Limited (the Company) is an unlisted public limited company incorporated in Pakistan on May 14, 2015 under the repealed Companies Ordinance, 1984 (now Companies Act, 2017). The Company has been notified as a Development Financial Institution (DFI) by the Finance Division of Government of Pakistan on October 27, 2017. The State Bank of Pakistan (SBP) granted the certificate for commencement of business with effect from June 12, 2018.
- 1.2 The Company's objectives interalia include promoting, developing and improving the housing finance market of Pakistan by providing financing facilities to banks and financial institutions against their conventional and Islamic housing finance portfolios and other eligible securities and promote the development of capital markets in Pakistan. The Company is also engaged in providing Trustee services to the Government owned Credit Guarantee Scheme for housing finance. The registered office of the Company is situated at Finance and Trade Center, Block-A, Shahrah-e-Faisal, Karachi.
- 1.3 The Company has been assigned a rating of 'AAA' by VIS Credit Rating Company Limited dated April 9, 2024 (December 31, 2023: 'AAA' dated April 14, 2023). The rating reflects the highest possible credit quality rating with the lowest expectation of default risk.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard 34 "Interim Financial Reporting" and International Financial Reporting Standards (IFRS Accounting Standards) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Act 2017;
- Provisions of and directives issued under the Companies Act, 2017;
- Directives issued by the SBP and the Securities and Exchange Commission of Pakistan (SECP);
- Provisions of and directives issued under the Banking Companies Ordinance, 1962 (BCO); and
- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan (ICAP) as are notified under the Companies Act, 2017.

Whenever the requirements of the Companies Act, 2017, the BCO or the directives issued by the SBP and the SECP differ with the requirements of IAS 34, IFRS Accounting Standards or IFAS, the requirements of the Companies Act, 2017, the BCO and the said directives shall prevail.

- 2.2 These condensed interim financial statements of the Company do not include all the information and disclosures required in the annual audited financial statements and are limited based on the format prescribed by the SBP vide BPRD Circular Letter No. 02 dated February 09, 2023 and IAS 34. Accordingly, these condensed interim financial statements should be read in conjunction with the annual audited financial statements of the Company for the year ended December 31, 2023.
- 2.3 The SBP has deferred the applicability of IAS 40, 'Investment Property' for banking companies / DFIs in Pakistan through BSD Circular Letter No. 10 dated August 26, 2002, till further instructions. Further, the SECP has deferred the applicability of International Financial Reporting Standard (IFRS) 7 'Financial Instruments: Disclosures', through S.R.O 411(1) / 2008 dated April 28, 2008. Accordingly, the requirements of these standards have not been considered in the preparation of these condensed interim financial statements.
- 2.4 The SBP has recently issued BPRD Circular Letter No. 16 of 2024 dated July 29, 2024 in which certain relaxations / clarifications have been provided upon adoption of IFRS 9. The impact of adoption of IFRS 9 is disclosed in note 3.2 to these condensed interim financial statements.
- 2.5 **These standards, interpretations and amendments to the accounting and reporting standards that are effective in the current period**

There are certain new and amended standards, issued by International Accounting Standards Board (IASB), interpretations and amendments that are mandatory for the Company's accounting periods beginning on or after January 01, 2024 but are considered not to be relevant or do not have any material effect on the Company's operations and are therefore not detailed in these condensed interim financial statements except for IFRS 9 (Financial Instruments), the impact of which is disclosed under note 3.2.

Aljano

2.6 Standards, interpretations of and amendments to the published accounting and reporting standards that are not yet effective

There are certain new and amended standards, issued by International Accounting Standards Board (IASB), interpretations and amendments that are mandatory for the Company's accounting periods beginning on or after January 01, 2025 but are considered not to be relevant or will not have any material effect on the Company's financial statements except for:

- The new standard - IFRS 18 Presentation and Disclosure in Financial Statements (IFRS 18) (published in April 2024) with applicability date of January 1, 2027 by IASB. IFRS 18 when adopted and applicable shall impact the presentation of 'Statement of Profit and Loss Account' with certain additional disclosures in the financial statements; and
- Amendments to IFRS 9 'Financial Instruments' which clarify the date of recognition and derecognition of a financial asset or financial liability including settlement of liabilities through banking instruments and channels including electronic transfers. The amendment when applied may impact the timing of recognition and derecognition of financial liabilities.

3 MATERIAL ACCOUNTING POLICY INFORMATION

The material accounting policies applied in the preparation of these financial statements are consistent with those applied in the preparation of the annual audited financial statements of the Company for the year ended December 31, 2023 except for changes mentioned in notes 3.1 and 3.2.

3.1 Adoption of new forms for the preparation of the condensed interim financial statements

The SBP, vide its BPRD Circular No. 02 dated February 09, 2023, issued the revised forms for the preparation of the condensed interim quarterly / half yearly financial statements of the Banks / DFIs which are applicable for quarterly / half yearly periods beginning on or after January 1, 2024 as per BPRD Circular Letter No. 07 of 2023 dated April 13, 2023. The implementation of the revised forms has resulted in certain changes to the presentation and disclosures of various elements of the condensed interim financial statements. The significant change is relating to right-of-use assets and corresponding lease liability which are now presented separately on the face of the statement of financial position. There is no impact of this change on the condensed interim financial statements in terms of recognition and measurement of assets and liabilities.

The Company has adopted the above changes in the presentation and made additional disclosures to the extent applicable to its operations and corresponding figures have been rearranged / reclassified to correspond to the current period presentation.

3.2 IFRS 9 - 'Financial Instruments'

As directed by the SBP via BPRD Circular Letter No. 07 of 2023 dated April 13, 2023, IFRS 9 is applicable on banks / DFIs with effect from January 01, 2024. Moreover, SBP also issued application instructions on IFRS 9 for banks / DFIs in Pakistan for ensuring smooth and consistent implementation of the standard in the banks / DFIs.

IFRS 9 brings fundamental changes to the accounting for financial assets and to certain aspects of accounting for financial liabilities. To determine appropriate classification and measurement category, IFRS 9 requires all financial assets, except equity instruments, to be assessed based on combination of the entity's business model for managing the assets and the instruments' contractual cash flow characteristics. The adoption of IFRS 9 has also fundamentally changed the impairment method of financial assets with a forward-looking Expected Credit Losses (ECL) approach.

There are a few matters which include maintenance of general provision, income recognition on islamic financings and fair valuation of subsidised loans, the treatments of which are still under deliberation with the SBP. The Company has continued to follow the treatment adopted in respect of these matters in the prior periods till the time SBP issues the relevant guidance / clarification.

3.2.1 Classification

Financial assets

Under IFRS 9, existing categories of financial assets: Held for trading (HFT), Available for sale (AFS), Held to maturity (HTM) and loans and receivables have been replaced by:

- Financial assets at fair value through profit or loss account (FVTPL)
- Financial assets at fair value through other comprehensive income (FVOCI)
- Financial assets at amortised cost

At/ma

Financial liabilities

Under IFRS 9, the accounting for financial liabilities remains largely the same as before adoption of IFRS 9 and thus financial liabilities are being carried at amortised cost except for derivatives which are being measured at FVTPL. The Company does not have any financial liability measured at FVTPL.

3.2.2 Application to the Company's financial assets

Debt based financial assets

Debt based financial assets held by the Company include: advances, lending to financial institutions, investment in federal government securities, corporate bonds and other private term financier certificates, cash and balances with treasury banks, balances with other banks, and other financial assets.

The application of these policies also resulted in classifications and consequent remeasurements of certain investments in Market Treasury Bills (MTBs), Pakistan Investment Bonds (PIBs) and term finance certificates (TFCs) held under AFS portfolio as of December 31, 2023 to hold to collect and sell model based on the business model assessment. However, certain investments that do meet the SPPI criteria due to equity conversion features embedded in terms of these TFCs have been reclassified as FVTPL.

3.2.3 Derecognition

Financial assets

The Company derecognises a financial asset when:

- the contractual rights to the cash flows from the financial asset expire;
- it transfers the rights to receive the contractual cash flows in a transaction in which either:
 - substantially all of the risks and rewards of ownership of the financial asset are transferred; or
 - the Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

The Company enters into transactions whereby it transfers assets recognised in its condensed interim statement of financial position, but retains either all or substantially all of the risks and rewards of the transferred assets. In these cases, the transferred assets are not derecognised.

Collateral furnished by the Company under due from and due to institutions are not derecognised because the Company retains substantially all the risks and rewards on the basis of the predetermined purchase price, and the criteria for derecognition are therefore not met.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired. The Company also derecognises a financial liability when its terms are modified and the cash flows of the modified liability are substantially different, in which case a new financial liability based on the modified terms is recognised at fair value.

On derecognition of a financial liability, the difference between the carrying amount extinguished and the consideration paid (including any non-cash assets transferred or liabilities assumed) is recognised in the condensed interim statement of profit and loss account.

3.2.4 Expected Credit Loss

The Company assesses on a forward-looking basis the ECL associated with all advances and other debt financial assets not held at FVTPL, together with letter of credit, guarantees and unutilised financing commitments hereinafter referred to as "Financial Instruments". The Company recognises a loss allowance for such losses at each reporting date. The measurement of ECL reflects:

- an unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- the time value of money; and
- reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

Aljmo

The ECL allowance is based on the credit losses expected to arise over the life of the asset (the lifetime expected credit loss or LTECL), unless there has been no significant increase in credit risk since origination, in which case, the allowance is based on the 12 months' expected credit loss (12mECL). The 12mECL is the portion of LTECLs that represent the ECLs that result from default events on a financial instrument that are possible within the 12 months after the reporting date. Both LTECLs and 12mECLs are calculated at facility level.

The Company has established a policy to perform an assessment, at the end of each reporting period, of whether a financial instrument's credit risk has increased significantly since initial recognition, by considering the change in the risk of default occurring over the remaining life of the financial instrument. The Company considers an exposure to have significantly increased in credit risk when there is considerable deterioration in the internal rating grade for subject customer. The Company also applies a secondary qualitative method for triggering a significant increase in credit risk for an asset, such as moving a customer / facility to the watch list, or the account becoming forborne. Regardless of the change in credit grades, generally, the Company considers that there has been a significant increase in credit risk when contractual payments are more than 60 days past due. However, for certain portfolios, the Company rebuts 60 DPD presumption based on behavioural analysis of its borrowers. When estimating ECLs on a collective basis for a group of similar assets, the Company applies the similar principles for assessing whether there has been a significant increase in credit risk since initial recognition.

Based on the above process, the Company groups its financial instruments into Stage 1, Stage 2 and Stage 3 as described below:

Stage 1: When financial instruments are first recognised, the Bank recognises an allowance based on 12mECLs. Stage 1 financial instruments also include facilities where the credit risk has improved and these have been reclassified from Stage 2. The 12mECL is calculated as the portion of LTECLs that represent the ECLs that result from default events on a financial instrument that are possible within the 12 months after the reporting date. The Company calculates the 12mECL allowance based on the expectation of a default occurring in the 12 months following the reporting date. These expected 12-month default probabilities are applied to a forecast Exposure At Default (EAD) and multiplied by the expected LGD and discounted by an approximation to the original Effective Interest Rate (EIR). This calculation is made for all the scenarios.

Stage 2: When a financial instrument has shown a significant increase in credit risk since origination, the Company records an allowance for the LTECLs. Stage 2 also includes facilities, where the credit risk has improved and the instrument has been reclassified from Stage 3. The mechanics are similar to those explained above, including the use of multiple scenarios, but PDs are applied over the lifetime of the instrument. The expected cash flows are discounted by an approximation to the original EIR.

Stage 3: For financial instruments considered credit-impaired, the Company recognises the LTECLs for these instruments. The Company uses a PD of 100% and LGD as computed for each portfolio or as prescribed by the SBP.

The credit exposure (in local currency) that have been guaranteed by the Government and Government Securities are exempted from the application of ECL calculation.

As per BPRD Circular No. 03 of 2022 dated July 05, 2022, ECL of Stage 1 and Stage 2 is calculated as per IFRS 9, while ECL of Stage 3 has been calculated based on higher of either the Prudential Regulations or IFRS 9 at segment

Currently, all financial assets of the Company are recognised under Stage 1 except for the exposure as disclosed in note 11.2 to these condensed interim financial statements.

Forward looking information

In its ECL models, the Company relies on range of the following forward looking information as economic inputs, such as:

- GDP growth
- Consumer price index
- Unemployment rate

Definition of default

The concept of "impairment or "default" is critical to the implementation of IFRS 9 as it drives determination of risk parameters, i.e. PD, LGD and EAD. The Company defines a financial instrument as in default, which is fully aligned with the definition of credit impaired, when it meets one or more of the following criteria:

Write-offs

The Company's accounting policy under IFRS 9 remains the same as it was under SBP regulations / existing reporting framework.

Altu

3.2.5 Adoption impacts

The Company has adopted IFRS 9 effective from January 01, 2024 with modified retrospective approach as permitted under IFRS 9. The cumulative impact of initial application of Rs. 16.641 million has been recorded as an adjustment to equity at the beginning of the current accounting period. The details of the impacts of initial application are tabulated below:

Balance as at December 31, 2023 (Audited)	Category before adoption of IFRS 9	Recognition of expected credit losses (ECL)	Adoption of revised classifications under IFRS 9	Classifications due to business model and SPPI assessments	Balance as at January 1, 2024	IFRS 9 Category

4 CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The preparation of financial statements in conformity with the accounting and reporting standards as applicable in Pakistan requires the management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities and income and expenses. It also requires the management to exercise judgment in the application of its accounting policies. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The significant judgments and estimates made by the management in the application of its accounting policies and the related estimates and judgments are the same as those applied to the annual audited financial statements of the Company for the year ended December 31, 2023, except for changes mentioned in note 3.2.

5 BASIS OF MEASUREMENT

These condensed interim financial statements have been prepared under the historical cost convention except for the following:

- Obligation in respect of staff retirement benefit scheme is carried at present value of defined benefit obligation; and
- Investments classified as FVOCI and FVTPL are carried at fair value.

5.1 Functional and presentation currency

Items included in these condensed interim financial statements are measured using the currency of the primary economic environment in which the Company operates. These condensed interim financial statements have been presented in Pakistani Rupees, which is the Company's functional and presentation currency.

Attn

6 FINANCIAL RISK MANAGEMENT POLICIES

The financial risk management objectives and policies adopted by the Company are consistent with those disclosed in the annual audited financial statements for the year ended December 31, 2023. These risk management policies continue to remain robust and the Company is reviewing its portfolio regularly and conducts rapid portfolio reviews in line with emerging risks.

11.4 The Company's financing activities largely belongs to the banking industry which includes Banks, DFIs, Micro Finance Institutions, whose financial health by and large is dependent upon the smooth and timely recovery of loans from their customer. Any adverse implication on the recovery of loans extended by financial institutions may impact the timely recovery of the Company's loans as well. Besides financing banking institutions, the Company has also initiated its financial services to Non-Banking Financial Institutions including Housing Financing Companies and Micro Finance Institutions. Generally, these institutions have low / middle income targeted borrowers who are more prone to macroeconomic challenges and may be adversely affected to fulfil their obligations. Considering the aforesaid issues, the Company has maintained a general provision reserve of Rs. 347.895 million against the micro finance sector, so that any unforeseen losses can be addressed through this reserve.

30 FAIR VALUE MEASUREMENTS

Fair value measurement defines fair value as the price that would be received from the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of quoted securities is based on quoted market price. Quoted debt securities are carried at amortised cost. The fair value of unquoted debt securities, fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to the absence of a current and active market for these assets and liabilities and reliable data regarding market rates for similar instruments.

In the opinion of the management, the fair value of the remaining financial assets and liabilities is not significantly different from their respective carrying amounts.

30.1 Fair value of financial assets

The Company measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

The table below analyses financial instruments measured at the end of the reporting period by the level in the fair value hierarchy into which the fair value measurement is categorised:

Valuation techniques and inputs used in determination of fair values

Item	Valuation approach and input used
Pakistan Investment Bonds (PIBs)	Fair value of fixed and floater PIBs are derived using the PKRV and PKFRV rates respectively available on Mutual Funds Association of Pakistan (MUFAP).
Market Treasury Bills	Fair value of MTBs are derived using the PKRV rates available on MUFAP.
Term finance certificates	Investment in term finance certificates are valued based on the debt instrument prices as published at the close of each business day by MUFAP.

31 RELATED PARTY TRANSACTIONS AND BALANCES

The Company has related party relationship with its major shareholders, directors, key management personnel and their close family members, Credit Guarantee Trust and staff retirement benefit funds (both defined benefit and defined contribution plan).

Alta

Transactions with related parties of the Company are carried out on contractual basis in terms of the policy as approved by the Board of Directors (the Board). Contributions to approved defined benefit and contribution plans are made in accordance with the actuarial valuations / terms of scheme. Transactions with owners have been disclosed in 'Condensed Interim Statement of Changes in Equity'. All other transactions between the Company and its related parties are carried out under normal course of business except employee staff loans that are as per terms of employment.

Details of transactions with related parties during the period and balances with them as at period end, other than those which have been disclosed elsewhere in these condensed interim financial statements, are as follows:
